10 JOHN DANIEL VILLA JR.,

11 Plaintiff, No. C 07-01436 WHA

12 v.

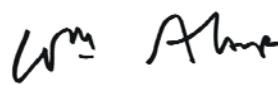

13 LINDA ROWE, JENNIFER SWINEY,
and BHAWNA JAIN,

14 Defendants. **ORDER DENYING REQUEST FOR
CASE MANAGEMENT CONFERENCE**

15 _____/
16 The parties have submitted a “joint case management conference statement” in which
17 they “request the Court set this matter for trial on a date certain” and request a case management
18 conference to discuss this same. This request is **DENIED**. The pretrial conference will proceed
19 on July 5, 2011, at 2:00 p.m. The parties need not be concerned about the timing of plaintiff’s
20 prison transfer, as there will be ample time between the pretrial conference and the beginning of
21 trial given the months-long, many-defendant criminal trial that is currently occupying the Court
22 and about which the parties are aware.

24 **IT IS SO ORDERED.**
